## PROJECTS

**Portfolio,** Show Code [🔗](#)  
A simple React Frontend Portfolio website using  
HTML,Tailwind & React.

**Blood-Bank,** Show Code [🔗](#)  
A simple CRUD web application using  
HTML,CSS,PHP,MySQL.

**Chat-Box,** Show Code [🔗](#)  
This was my very first C Programming Team Project.  
We used C as programming language & file I/O  
system as storage .

**Online Food Ordering System**  
This was a team project based on C++. We used QT  
as framework & SQLite as database.
